

THIS IS NOT A PERMIT

**New York State Department of Environmental Conservation
Notice of Complete Application**

Date: 07/02/2024

Applicant: NEW YORK STATE COUNCIL OF TROUT UNLIMITED, INC.
11 MEADOW ST
LAKEVILLE, CT 06039

Facility: Wylie Brook Habitat Improvement Project
820 Wylie-horton Rd, Wylie Brook|0.10 mi W of St Rte 235
Coventry, NY 13787

Application ID: 7-0826-00054/00002

Permits(s) Applied for: 1 - Article 15 Title 5 Stream Disturbance

Project is located: in COVENTRY in CHENANGO COUNTY

Project Description:

The applicant proposes disturbances to a tributary of the Susquehanna River, also known as Wylie Brook, [NYS Water Index #: SR-123, Class C and C(T)] in association to a stream restoration project to reduce extreme bank erosion and incision. The proposed work will stabilize the bed and banks of Wylie Brook and restore floodplain connectivity utilizing the following methods: constructed inner berm/bank grading (~900 linear feet), toewood installation (~50 linear feet), six (6) log rollers and six (6) top of riffle rocks for grade control, one (1) J-Hook, and one (1) rock cross vane. Proper erosion and sedimentation controls will be implemented to protect downstream water quality, including a pump around system to bypass clean water around the project site. This project is located 650 feet northwest of the intersection of State Route 235 and Wylie-Horton Rd. in the Town of Coventry, Chenango County.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

State Environmental Quality Review (SEQR) Determination

Project is an Unlisted Action and will not have a significant impact on the environment. A Negative Declaration is on file. A coordinated review was not performed.

SEQR Lead Agency None Designated

State Historic Preservation Act (SHPA) Determination

Cultural resource lists and maps have been checked. The proposed activity is not in an area of identified archaeological sensitivity and no known registered, eligible or inventoried archaeological sites or historic structures were identified or documented for the project location. No further review in accordance with SHPA is required.

Availability For Public Comment

Comments on this project must be submitted in writing to the Contact Person no later than 07/25/2024 or 15 days after the publication date of this notice, whichever is later.
