

# COVENTRY NEWS

Good news. Due to your feedback (thank you) on the recent Comprehensive Plan Survey (which we are currently still working on) we have brought back a newsletter. At this time, it will be bi-annual, it is a volunteer run newsletter so if there is anyone interested in helping, please let us know.

This 1<sup>st</sup> newsletter is an informal one. We wanted to give you some information to help you help us. The next one in the spring will contain more information. Our goal is to inform you of what is happening in our town and neighborhoods. This is OUR town newsletter and together we can make it *special*.

We wish to include:

Local businesses  
Services local town people may offer like hair cutting/ dog sitting/woodworking/plowing  
Volunteers who may be able to shop or drive for those in need  
Favorite memory or story of Coventry  
Milestone birthdays/anniversaries  
Births/deaths  
Weddings  
Favorite recipes

These are just a few ideas.

There is a link on the town website (**Coventryny.com**) to email newsletter ideas or information (**Coventrynynews@gmail.com**) or you may mail them to town hall **attn:newsletter**.

Information about the following to be included on future letters:

Town and Planning Board minutes (on website currently),  
Museum, Fire Dept., Highway Dept., Tax Assessor, Churches, Upcoming events.

We are also updating the town website ([Coventryny.com](http://Coventryny.com)) so please email (link on homepage) your businesses or upcoming events so we can post them.

This and all future newsletters will be on the website.

Thank You and we look forward to having a successful town newsletter.

Finally, we realize not all residents have computer access. To save town monies in stamps and stationery we ask that **ONLY** residents who need the newsletter **MAILED** fill out and return this form with ATTN: Newsletter on the envelope.
